

# GREEN ENERGY CONFERENCE

## BIOELECTRICITY PRODUCTION FROM MICROALGAE

### Dra. Sharon Velásquez Orta

Lecturer in environmental engineering  
School of Chemical Engineering  
and Advanced Materials  
Newcastle University, UK

## INTENSIFIED DOWNSTREAM PROCESSING IN MICROALGAL BIOFUEL PRODUCTION

### Professor Dr. Adam Harvey

Professor of process intensification  
School of Chemical Engineering  
and Advanced Materials  
Newcastle University, UK

**ENTRADA LIBRE**

**Martes 12 de marzo, 12:00 a 14:00 hrs.**  
**Salón de seminarios Emilio Rosenblueth**  
**Edificio 1, Instituto de Ingeniería, UNAM**
