

Seguimiento de la producción de artículos publicados en revistas con factor de impacto del personal académico del II (Octubre- Noviembre)

Para informar sobre la publicación de artículos indizados en revistas de la *Journal Citation Report (JCR)* por parte del personal académico del Instituto, y con ello darle seguimiento a la meta institucional de un artículo

de la *JCR* por investigador y por año, la USI-Biblioteca mantendrá un servicio de alerta mensual sobre este tipo de producto académico con base en el monitoreo de la Web of Science.
